Verse 1

Christ the sure and steady anchor
In the fury of the storm
When the winds of doubt blow through me
And my sails have all been torn
In the suffering in the sorrow
When my sinking hopes are few
I will hold fast to the anchor
It shall never be removed

Intro

Verse 2

Christ the sure and steady anchor
While the tempest rages on
When temptation claims the battle
And it seems the night has won
Deeper still then goes the anchor
Though I justly stand accursed
I will hold fast to the anchor
It shall never be removed

Intro (2x)

Verse 3

Christ the sure and steady anchor
Through the floods of unbelief

Hopeless somehow O my soul now
Lift your eyes to Calvary
This my ballast of assurance
See His love forever proved
I will hold fast to the anchor
It shall never be removed

Intro

Verse 4

Christ the sure and steady anchor
As we face the wave of death
When these trials give way to glory
As we draw our final breath
We will cross that great horizon
Clouds behind and life secure
And the calm will be the better
For the storms that we endure

Tag

Christ the shore of our salvation
Ever faithful ever true
We will hold fast to the anchor
It shall never be removed

God is good, God is good

Where is his grace and goodness known

Who stands above the stormy trial

Who sends the waves that bring us nigh

Un-to the shore, the rock of Christ

Verse 3

Unto the grave, what shall we sing

Christ, he lives Christ, he lives

You saw to the other side

All of heaven held it's breath

To the Father are re - stored

By His blood and in His name
A **D**
In His freedom I am free

For the love of Jesus Christ
A **D**
Who has resurrected me
