CHRIST OUR WISDOM

3/4 BPM J = 75

INTRO: Bb/D | Eb | Bb/F | Eb

VERSE 1 Christ our wisdom, we are humbled when You hide Your ways from us
You have purposes unnumbered, each one good and glorious
Help us trust when we grow weary, free us from our anxious thoughts
Give us grace to see more clearly; You are God and we are not

VERSE 2 Christ our wisdom, be our gladness when we fail to understand
You ordain all joy and sadness to fulfill Your perfect plan
Help us know You rule with power over every raging flood
In our most uncertain hour, You are God and we are loved

VERSE 3 Christ our wisdom, we will follow though the way ahead is veiled
As we journey through the shadows,
grant us faith where sight has failed
Help us cling to Your commandments,
strengthened by Your faithful Word
We will never be abandoned; You are God and we are Yours

TURN: C/E | F | C/G | F/A

VERSE 4 Christ our wisdom, we adore You for the beauty of the cross
Once in foolishness we scorned You, but Your blood has ransomed us
Help us sing the endless mercies of Your humble heart to save
Christ our wisdom, Christ our glory, You are God forever praised
